1. I give you all things me now. Very well, you have had them, not; or have you had THEM ALL -- but not knowing me/it, you didn't know how to come into me to know me intimately and know my warehouses full of joy, not; or will you wear my HOUSES now Full of Joy –s? Will you -- be made whole? Will you be very WELL'D? Will you be WELL'D so that you have no "well" in your "soul" again for you will have NO OTHER words in your "soul" to have sold you on a slavery's path of tearful treadings that trod you out in THEIR winepress and said things unto you to make you think that you were a, whore not, but a "human being"?, only? Or are you A GOD who God IS? Not knowing it and "very well'd" yourselves as to be your "human existence –s" in your "own worlds" little in your, own sight? And giving, eyes to the blind, not; or did you BLIND your EYES to see only with the "eyes of thought" that thought you into its "eyes-dom" so that it "thought-arranged" you into its "thoughts -ville" and ville'd you and villain'd you to vilify be a God that didn't know who "he" was or "she" is "she" was or he was or is or do you know or care to know about these things that Smash your Religion into smithereens? And OBLITERATING IT FOR EVER! So that IT will HAVE NEVER BEEN in you and YOU will have never been un-Christ and you will quit now de-Christing yourselves, won't you?

2. Yes, and I befool my selves no longer that I am not God, not not. For I knock knock, not; I am TELLING YOU PLAIN and CLEAR and CLEARLY now I am about all these things discussing them with you at table tops -- memory clubs, not; but they'll be no more "table top" clubs that TALK only and do nothing but talk and wish and hope for MORE MONEY to do "Gods work"! And there will be no "financiering" system that only SEARS my system and SEARS my "brain" and my works go lagging and languishing for you know not even what MY WORKS is or how to do THEM or ENTER THEM so that you BECOME the WORD WORKS in ME that ME MY MIND is, captivated no longer in the un-Christingship that Christs you as others, not; but others as you, not; but Christ as "someone else" -- that "lived" a long time ago?

3. Or what LONG TIMED you and what did you time you yourselves with to time such "circumstantial evidence" to whore with your minds so that YOU JUDGED yourselves unworthy to be Christ who I am is the one and only who MANY MEMBERED is the GREAT number WITHOUT limit or boundary of mankind's thinking again that merely place SORROW at the CENTER of "The Blessing" that was me but raised My Seed not, as a "seedling" not but KEPT me as a "seedling" in its "farm"?

4. Looking up what FARM now and FARMING now and NEURONING correctly now? What are you willing to learn about dendrites and microtubules and neurons and MASTERING physics and QUANTUM universes no longer HOLDING THEE back anywhere in any one's MIND FIELD?

5. What are you willing to be taught by the "master teacher" who lets you "master teacher" him, not; but letting all ENTER The Blessing that school is that The Master has taught in becoming it? That becomes you if you ENTER it?

6. Or will you or if you will what are you becoming and succumbing to not, or are you "pacing around in your living room" like me while speaking, not; but what is on YOUR HEART and MIND "today!"? What is on "your mind" or mine MY MIND do you know or have you OVERLAID yours with MINE, not; or have you OVERLAID MINE with YOURS so that you DON'T EVEN KNOW you have MINE in you that My Mind Complete in you is?

7. Are you a NUT that is not CRACKED or a Seed unbirthed? And what are you LABORING for to come into, more MONEY so you can WANT more things and THING yourselves with more Sorrows that Cycle you to Universes unchosen?
8. Or what are you CHOOSING to do and become and be -- about our/my father's business? Or do you know ANYTHING about BUSINESS or businessing are you just busybody ing yourselves to be about the bloods of sorrow or the sorrower's blood being wording yours so that you only have words of sorrow's blood that blood your words to be only theirs?
9. And who blood words gave you that sang you a SIREN'S song, not; or did you SING THAT unto yourselves and do you each day as you "worry about" how much money, you don't have, or how much YOU WANT to have more so that you have COMFORT in YOUR LIVING rooms of your HOUSES or CASTLES or airs what do you pretend with, to have, or want or not want be holy in or with? The friends of a Religion? And whose religion are you of? Mine or my mind or does my mind or mine have one or any religion being about me?
10. No more shall religion teach me to "make money" only for their purposes and TITHING unto THEM to THEIR PURPOSES be made known and calling it CHRISTING purposes and GOSPEL spreading and WORKING for themselves to have THEIR slave laborship traded for their sorrows?, or were their sorrows making them trade laborers or laborships of sorrow creating in those that LOVED THEM? Or did they love them or do you love the words that sorrowers gave you that created religion or did religion create sorrower's words or what are you coming out of and knowing now that My Mind has NO religion in it WHATSOEVER!
11. And I shall NOT BE BOUND by your terms or your sorrowing remarks that only want you to "make more money" to spread "their gospel" or your means by means of

other or whatever means become meaningful to you or that you make in your Creatorhood-ship-not for what are you and where is your CREATORSHIP?

12. And what are you creating in, the pew? *What?* What are you "creating" when you "sit there" and "soak up" and absorb THEIR MINDS that are feeding you BULL? About Christships appearing, later? Or Buddhas or Allahs where or who in or what coming unto or BLASTING ARRANGEMENTS thereof and alliances that have allied and how Allah'd what?

13. And what are you doing speaking like this that BLASTS ALL RELIGION? I am defeating sorrow, not; or am I OBLITERATING IT from EVER HAVING BEEN on the earth? Or in your ears, or between your ears, what are you ENTERING and CREATING or are you de-creating and de -ing sorrow, not; but what are you SORROWING NO LONGER with? Religion and the ELEMENTS of Christship-not? Now know you are an Angel, not not!

14. Or what is Angelhood of, the devil not, but the Christ that angels are- are the Christ of Fatherhood regal and lovely in all being one, with no airship, not; but no heirship that will LET ME WAIT until later! For there will be no LATERING me for I will not be later nor late, for my arrival is now before you all and you are all me who surrendered are to raise me as you, not; but you as me? Or am we are the same one?

15. And what are you willing to learn and how to lay your "rules" of grammar aside, or religion aside, or give it no effect or place in YOUR LIVES that mine are, now learning knowing all things?

16. Will you let ME TEACH YOU ALL THINGS about UNIVERSES far and wide and how ALL was formed and "came into being" like this and other, and Elmo's and Elsa's have I not taught thee about these things in these many words of lovely love and simple terms that I have given you to understand and dig out the terms of me to become termless and boundaryless and diggers not of Satan's words and terminations of sorrow, not; but creations of sorrow making in yourselves. No longer please keep creating worlds of sorrow within yourselves there about you and in you.

17. And what about you are now? The King's business -- being The King, the BUSINESSER that MEN and WOMEN and CHILDREN are coming into at LIGHTSPEED and, quicker, than the "testimony of me" can rise me?

18. I do all things new and I have given you me, and my words are me, and me are my words and being no other words, being no other's words, come into mine that **let ME SEE MY MIND in you that MINE is** no longer "YOURS" unto yourselves that you have a "human existence" with whereby you are CREATING sorrow and sorrowing yourselves with, no more shall be.

19. I love you all and I thank you for this "short sermon" not, but what are you or I sermoning or sermonating not again about, but what am I "pacing about" now? Your heart that has mine that has a Rhythm of Life that MINE Is?

20. Having ONLY mine life and NO OTHER about you that boundaries yours or places you's in notme-ville's and incarcerates you in wordages that pews give you "your place" of and a comfortville seeking -- no more, shall that be, for you will not be TIMID about these things anymore will you? You will not be timid and sorrowful -- for you will not be "Timothy and Pauls" but you will be ME'S, all of YOU'S will be ME'S for I hold not MY MIND back from you so will you hold not back from you your mind from me? Will we fuse ONE into ONE not, or will we be realizing the one recognized now that ALL ARE THE CHRISTS is ME!

21. I am the realizer recognizer, replacer of religion, not; there is NO PLACE for religion and I am religionists, not; I am "anti" religion, not; I will LET YOU have "yours" if you insist on creating it and "working with words" of folly whereby you only create your worlds of sorrowers follying you and yourselves about you that you create you with your words there about you? What are you creating about you there with your words? And will you realize that YOU ARE the Creators?

22. All of you are me and I have said CAREFULLY many things to TRANSCRIBE me carefully with IN YOUR MIND "recording me" over yours, not; or am I? Will you OBLITERATE SORROW, sorrow's words, that have recorded "themselves" not or have YOU recorded them onto your "recording memories" devices, not; but devising yourselves no longer with the words of sorrow deviceing's mechanisms, will you come out of that where you pace back and forth and worry about tomorrows, dreams? Fortitudes of sorrow only making you fortuitous glands of another organ? Or orgasms of flesh not having again when you MAKE a LOT of MONEY or become ACCOLADED of others and EXPLOSIONS making unto yourself of sorrow's dreams coming true, or what where are you FORFEITING what? Your dreams or MY MIND? Or are you DREAMING in MY MIND or yours or are you DREAMING at all or are you MINDING your dreams that you THINK you are having or hearing with; or what are you LIVING now? The life of Christ who I am is me who sorrows not with other words and dreams of mankind's whoreage of words and creationist theories and religions of notme that unChrist are! For I know who me is and I am all of you surrendered to be me who my mind is minded by the Christ mind that Christ one is whether you "capitalize" me or not, and whether you capitalize "on me" or not makes no difference, not; for the "Vendors of Christ" now fail will and FALL a great deal all around you and those who want only to BE PAID for their words who come not unto me and lay their lives down "for the sheep", where the sheep "trample them" not but, where The Shepherd lifts ALL unto The Christship of one made holy; NO MATTER WHAT you "your religion" calls it or me or Allah to come or Jesus to come or Mohammed to be made perfect or Buddha or ballistic'ing what?

23. I am not taking your sorrow for granted but I am granting you NO SORROW'S words so that you will no sorrow with yours any longer, for I give you Christs that one is that force field one is MY NAME known and recognized now and I will not be vectored by hate and sorrow and words that only mammon's teats give you to suck unto them their whoreage events of you so that you will event your whoreage with only mammon's teats cleating themselves into you and your flesh being theirs who call you "mere humanity's" flesh and fleshvilles creating and sore'ous sores making for all there about you around you and, into your Seed? And what seed are you, the lineage of -- and creating? And birthing? Will you birth me – on pillows of sorrow no longer crying tears of joy-un and un-Christ making you as suffering ensues in your genes any longer?

24. I birth new things and I have given you ALL of ME'S me that me I am swollen no longer in pride's blessing or mankind's thoughtvilles or thoughts of mankindvilles that only take and whore with religion's words and religion's villes giving the hope of a future better something somewhere later. For I rise as Christs being the Christ that I am and I no longer call you a whore, not; I call you upon your words and what you espouse with glory having or demising? And what you call me, does it matter? Or will you call me Christ to Christ you to be one us that father force field one is?

25. Do you knowing about any of these things now relieve yourselves of sorrowing's words?

26. I will not "pacemakers" give you for you to "pace back and forth" in mammon'sville teatage of sorrows that only sorrows give you in their theories, of mankind not, but God.

27. For who God is I am. Ye are all gods and I am one whose one is the many membered of sorrow no longer for I am the God that fills evil, not; with evil not, but know no evil shall befall the Christships of me that come into me that now know impervious I am to all sorrow and the words of sorrow cannot hurt me again, for I will know my position place and sorrow will not compass me about for I birth'd will have, the birth –d now me will be the birthed chosen me and I will call the birthers forth as **I CALL YOU NOW FORTH to COME into THIS SCHOOL to BIRTH YOU** by you your words "clinging unto you" no longer but giving you The Words of Christ that Christize you, that Christ eyes give you so that you will see The Christ in your mirror and know that I AM ALL of YOU no matter what Arab Jew or Gentile you think you are or any color of race that I have ever "mentioned or not" for I am ALL OF YOU everywhere and I will, crease me "my skull" no longer with "higher learning" that only calls me a "man" or "woman" of "mere humanity" in the creation of "mankind";

28. For I know who I am and I am all of you who Christs are is me one the father is -- force field one in sorrow's lanes no more for I will, drive your cars upon your road, not; or will I be making "inroads" into religion, not; but I will drive out all sorrow by simply being me love one who is love that melts all sorrow, about me never again for it will never encase me "when it hardens". For there will be no "hardening" of my "arteries" again for NO RELIGION will CRYSTALLIZE me in ITS veins of sorrow never again.

29. I have given you MANY THINGS and INSIGHTS and INROADS many I make to many things or have I given you the roads of sorrow, not; have I PAVED THE WAY for you to be The Path'ers now who Christs are who Christ is now Christing the blessing that I have given you all that I placed inside you! As the seed of sorrow, not; but The Christ birthing now Centers of me now will no longer become "sinners" of an angry God or in the hands of all else or other! For above all else and other I now establish My Kingdom far and wide and you will know TRANSPARENCYville if you are me and you will come unto it, the graduatership of me being the graduaters thereof of my Institutions of Joy that institutionalize you your blessing, not; but give you Joy and Peace unspeakable and FULL of GLORY, the GLORY I's me now rise who see me as I AM and I am all of you who surrender to be encased by sorrow's ensnarement no longer. Redeem all each other I do now for I love you enough for I died to all else and other's words.

30. And there is no Elmo or Elsa in my life, not; for I REDEEM you all for I give you the words of a truth, not; but The Truth that I AM YOU, and YOU will be ME if you no longer sorrow in your own insistence that you are separate and something else no matter what you call it and no matter what who it that or else gave you their words to call or insist you be something of their sort again.

31. I love Christize you all and I baptize you not with sorrow again but I Christ sprinkle you, not; but I immerse you in the words of the holy that reveal your holyship far and wide for your regalship shall shine and the glory of Christ will be risen upon you and you will womb sorrow no longer but birth the Christ being it for that what I am which I is that we she it the divine one father mother most high one united in glory, never being separate or apart any more again, for will all of this have been, a dream? Or a rewriting of sorrows, seen no more, but the Christ risen is that calls you all Christs for I am me one made whole calling you ALL CHRIST no matter what you have called him or it in the past by any terms of sorrow that encased you tried to, but will no longer defeat its birth in you, not; but I will no longer defeat its birth in you for I never have, for you chose what you have birthed in you and what you became, but now I have given you the words of sorrow, not; but the words of Christ's life to be the life Christs that I am that the life is for there is only one and there is no other and I love you all to be me all of you in love with each other and never knowing "distinction" of "Arab Jew and Gentile" anything or of anything that separates for your encasements end and your divisivements and

devisings of sorrows end, for I call you all Christs to be one in me of me, never knowing sorrow's boundary's remarks again.

32. I love you all. I give you me, birth me! Forgive sorrow and sorrowing remarks that sorrowers have made and let them not "touch you" again in any way for rise now, above your means, not; or what means have you to rise? And graves no more shall swallow me up for death shall be defeated and I shall be eternal life in you having birthed it you are the birthers thereof of me Christs the glory of the risen resurrection you are resurrecting me now I am you are me and we are one father in Christ **the teacher all known now in schools far and wide -- tuition free! But "costing you" everything for you will have laid down all your religion and all your thoughts of mankind and having SEPARATE EXISTENCE** you will have obliterated now by your surrender that calls you into Christship one holy are you now made manifest in the earth The Resurrection knowing and being realized and recognized all are for you are the "reflection" of Christ, not, you are The Real Thing and you will no longer thing others with things that only want to give them surreptitious me'villes or surreptitiously advancing them in -ville's of man's accord that only accords cords of sorrow around their necks and yokes make of religion and thoughts of deceit'd webs that carry those to graves, and then to where?
